

iDreamStock LICENSE
Product License

This legal document is an agreement between the registered owner of an i dreamstock images CD-ROM, hereafter referred to as the LICENSEE, and i dreamstock, the LICENSOR.

By using the images, the LICENSEE agrees to be bound by all of the terms of this agreement, which includes the binding clauses.

If you do not agree to the terms presented in this License Agreement, you may return the CD-ROM to receive a full refund,

provided that the CD-ROM has not been open and the seal is intact.

In accordance with the following License Agreement, you may use the images only within the restricted scope granted by i dreamstock.

The images on the CD-ROM are high-resolution images of 40MB.

You may copy the images on the CD-ROM, and we grant you a personal, non-transferable, and non-exclusive right to use the images in one physical location under one organization.

All rights of the images published by i dreamstock shall be owned by i dreamstock and/or its LICENSEE and are protected under international copyright laws and treaties, the local copyright laws, and any applicable laws.

i dreamstock and/or its LICENSEE hold continuously all of the rights that are not granted in this License Agreement.

The images sold to the LICENSEE must be used only by the LICENSEE. On termination of this License, the LICENSEE agrees to stop use of the images, erase any saved images, and return the CD-ROM to i dreamstock.

The LICENSEE may use the images on a worldwide and perpetual basis as a part of:

- advertising and promotional materials (including packaging);
- online and multimedia (including web page design) and webcasts and exhibitions;
- any products (including for-sale products) or print/online publications; and
- materials for personal, non-commercial use, including sampling, comping and layouts.

Any images used for commercial purposes must include a reference within the product to i dreamstock and the Web site, www.idreamstock.com

The LICENSEE may not:

copy the images into any type, but the usage expressly specified;
distribute and/or sell any image of i dreamstock in either traditional or digital method unless it is to use for the licensed purpose;

- create any object based on an i dreamstock image;
- modify or redesign any image for the purpose of reselling the purchased images;
- use the images for immoral, pornographic, defamatory, and/or any other illegal purpose; and
- sell or transfer images or the CD-ROM to a third party in part of another product unless it is for the licensed purpose.
